

Wolverine Cabinet Brand Cabinetry

Limited Lifetime Warranty

Wolverine Cabinet Company warrants its cabinetry and related products to the original consumer to be free from defects in materials and workmanship under normal residential use for the lifetime of the purchaser. Wolverine Cabinet Company's obligation under this warranty shall be limited to the repair or replacement of any part or parts of our products which prove to be defective under normal use and does not include expenses incurred in the removal, shipment, or installation of the defective or replacement product.

This warranty does not apply to the effects of normal wear and tear, misuse, abuse, improper installation, or improper storage. Expansion defects and/or joint separations (most notably with mitered doors) that occur as a result of high humidity/high moisture conditions or exposure to extremes in humidity or temperature are not covered under this warranty.

This warranty does not apply to normal wood features that are inherent in wood, the variation in the wood grain or color, fading or visible cracking around joint areas. All hinges and drawer slides have a lifetime guarantee.

Wolverine Cabinet Company reserves the right to make changes in design, construction materials, and prices as conditions require.

Care of Wood Cabinets and Doors

- For normal cleaning use a clean soft cloth dampened with a mild solution of two drops of dishwashing liquid per one gallon of water.
- Dry off thoroughly, removing any excess moisture.
- **DO NOT USE STRONG DETERGENTS, SOLVENTS, OR ABRASIVE CLEANSERS.**
- Do not use a dish cloth on cabinet surfaces.
- Moisture from steam and hot water present in kitchens should be kept off all cabinets. If cabinets do get wet, dry them by wiping with a clean soft dry cloth to maintain finish.
